SUBJECT: LOCAL PARTNERSHIPS WORKSHOP

The Local Training Response Unit of the Workforce Investment Division is offering a local partnerships workshop. This one-day workshop is designed specifically for local board members, administrators, management, and supervisors. This interactive workshop will provide an opportunity to examine the environment of the One-Stop Career Center System.

Designed for 30 to 50 local participants, this workshop will examine the strengths and weaknesses of the individual agencies, decision-making issues, terminology, agreements, and customer satisfaction from the top down in a local area. We will focus on how the partnerships can improve and develop solutions to address the challenges faced.

If you are interested in hosting this workshop, please contact Joy Allender at (916) 654-8782, or e-mail jallende@edd.ca.gov.
